Remember, Chisato...
Knowing you,
You've always been a bit stubborn
so I was worried about you.

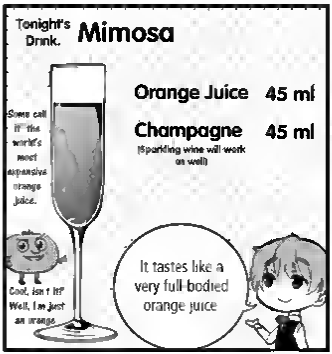
I don't remember the last time you asked *moi* to make something.



Tonight's Drink.
Mimosa
Orange Juice 45 ml
Champagne 45 ml
(Sparkling wine will work as well)
Some call it "the world's most expensive orange juice."
Cool, isn't it? Well, I'm just an orange.
It tastes like a very full-bodied orange juice

It's called a mimosa.

Orange Juice
4. Pour orange juice carefully.
5. Lightly stir and enjoy♡

Memo

Most households will probably not have champagne on hand, so a cheaper sparkling wine will work as an acceptable substitute. Members of the French upper class would usually have a mimosa before meals. A mimosa with ice is called a "buck's fizz."
